

Writer's Name:

Date:

What values are listed in the song and in the video?

What evidence did you notice supporting those values?

What can you infer about this person based on these values?

What are the values that make you the person you are? Compare your values to your "Someday List". Which items on your someday list support the values important to you? What can your someday list tell us about you as a person?

List your values in bullet points.
