

# Clean It Up

*(Sung to the tune of "Let It Be.")*

When I find my classroom's really messy,

My teacher's voice comes to me,

Speaking words of wisdom,

Clean it up.

(Chorus) Clean it up, clean it up, clean it up,

Oh, clean it up.

I whisper words of wisdom

Clean it uuu uuup.

And when there's lots of papers,

I think there's a chance that they can be...

Papers to recycle.

Clean it up.

(Repeat Chorus)
