Song:	“Inaudible Melodies”	“She”
<p>How is this an example of a paradox?</p>	<p>Paradox: Shortcuts can slow you down.</p>	<p>Paradox: She screams in silence.</p>
<p>What are some real life situations that could create this paradox? (Try to come up with three examples.)</p>	<ol style="list-style-type: none"> 1. 2. 3. 	
<p>How does this paradox create a difference between perception and reality?</p> <p>What words/phrases are used in the song to show the difference between perception and reality?</p>
