“Pride (in the name of love)” -- U2

*Teachers...paste the words of the song into this box, if you wish, or have them up on the overhead as students listen to the song from your classroom iPod.*

As you listen to the song, write down any ideas you have about whom U2 could be referring to.

Now let's watch and listen to John Legend perform “Pride (in the of love)”.

Who is “Pride in the name of love” written about?

What do you know about him?

Next, I'm going to read to you from Doreen Rappaport's children's book, *Martin's BIG Words*. While I read, fill in the following graphic organizer to gather background information on MLK.

What images/words does the book provide about what it was like while MLK was growing up?

What images/words does the book provide about MLK as a minister?

What images/words/events does the book describe that MLK was involved in?

Read through these quotes that appear in the book. Use a highlighter to highlight the words you feel are Martin's "BIG" words.

"You are as good as anyone."

"When I grow up, I'm going to get big words, too."

"Everyone can be great."

"Hate cannot drive out hate. Only love can do that."

Martin said, "peace" when others said "war."

"Sooner or later, all the people of the world will have to discover a way to live together."

"When the history books are written, someone will say there lived black people who had the courage to stand up for their rights."

"Wait! For years I have heard the word "Wait!" We have waited more than three hundred and forty years for our rights."

"Love is the key to the problems of the world."

"Remember, if I am stopped, this movement will not be stopped, because God is with this movement."

"I have a dream that one day in Alabama little black boys and little black girls will join hands with little white boys and white girls as sisters and brothers."

What are Martin's BIG words?

Why are these referred to as "BIG" words?
