## **My Hair and our...Personal Problems**

a poem by Brooke, fifth grade writer

My hair doesn't like me very much,  
But I don't know why.  
I thought we'd be pals, she and I;  
Every morning, she makes me want to cry.  
My mom adds de-tangler  
And I always use conditioner,  
But my hair....she is not an A-plus listener.

What do you like about Brooke's writing style? Which writing trait(s) does she excel with?
