

After reading The Diary of a Worm, Mrs. Black's kindergartners interactively wrote "Diary of a Frog." They share three of their favorite pages from their book below.

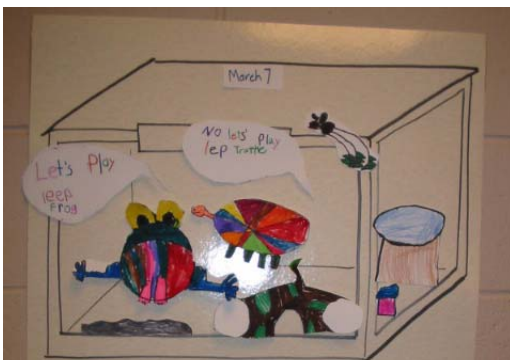

Diary of a Frog

I don't use my tongue for eating.

I use my sticky tongue to play checkers.

When I was a tadpole, I ate algae. Now I am a frog and I eat crickets.

When the kids are gone, I invite turtle over to play Leap Frog.
