

Animal

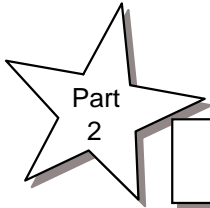

Mode of  
Transportation

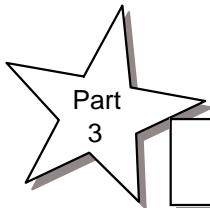

Setting

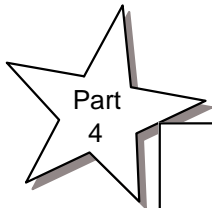

Your animal climbs onto its mode of transportation. (What do you SEE?)

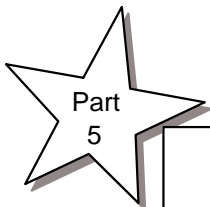

An animal sees your animal. How do they react? (What does it LOOK like?)

Another animal (second one) sees your animal. How do they react? (What does it LOOK like?)

Another animal (third one) sees your animal. How do they react? (What does it LOOK like?)

Conclude your story. Does it "wrap it all up"? Are there any questions left unanswered?
