Please answer all of the following questions on the BACK of this paper or on a separate sheet.

1. In reading the responses to your writing, what comments made you happy? What surprised you in a good way?
2. What comments did you disagree with or not understand? What surprised you in a bad way?
3. Specifically, how will you revise your writing now that you have seen what a reader thinks?
4. How does the response of a reader help you as a writer?

**Now, go back and add any changes to your draft that you want to make after reading the responses.
