Name: _____

Eating Unusual Things

Think about strange things you have eaten or strange things that you have watched friends or family members eat. With your family, brainstorm a list of strange things that you have eaten or things that someone you know has eaten. Write down as many as you can remember. Try to list at least two different ideas.

1. _____
2. _____
3. _____
4. _____

Write down any details that will help you to write your story.
