

This trait-based checklist for constructed response should be used by **all** students before they finalize their constructed responses.

Constructed Response Checklist

Idea Development:

- Does your response answer the original question?
- Does your answer make sense?
Organization:
- Did you restate the question in your topic sentence?
- Do your ideas connect?
Conventions:
- Did you spell words found in the passage the same way in your answer?
- Could someone else read your writing?
