

Final Think Tank - Assessment

What I'm scoring you on:	1 <i>Largest House of Mud Display</i>	2 <i>A Nevada State Museum Display</i>	3 <i>A Smithsonian Display</i>	Your Score: (circle one)
Reflection	✓ Little or no reflection is made.	✓ A reflection is made that quickly describes how the author came about the solution or how they changed their minds.	✓ The reflection is very in depth and explains the journey the author made. Additional research and people that helped were named and explained.	3 – 5 – 7
Research	✓ The presenter just floundered with the material that it is obvious they already knew. The presenter used no outside sources or methods to help with solving the problem.	✓ The presenter probably used information learned in another subject. The presenter used materials available to solve the problem.	✓ It is obvious the presenter researched material from another subject or used a creative way to solve the problem. Presenter used information from another student, source, or help from the help window.	3 – 5 – 7
Problem explanation/Math Knowledge	✓ The presenter didn't explain themselves or the explanation didn't make sense or was unfinished. Problem was unfinished or not done correctly.	✓ The presenter explained their work step by step. The explanation makes it easy to understand the problem solving used. Minor errors in the problem.	✓ The presenter explained their work and the reasons behind each step in a way that it is beyond a doubt the problem is solved correctly. Anyone can understand the solution. The problem was done correctly.	3 – 5 – 7
Punctuality & Time commitment	✓ The problem wasn't done on time and/or it seems that the problem was thrown together at the last minute. It is obvious that class time was not used wisely.	✓ The problem is done on time and the final product is presentable.	✓ The problem is done on time showing quality work. It is obvious that class time was used wisely in order to create a quality product.	3 – 5 – 7
Shout-outs for others	✓ Provided help for self only.	✓ Provided 1-5 people with information/help.	✓ Provided 6 or more people with information/help	2 – 3 – 4
